

MOD INFORMATION SERVICES

UK impact

Boeing has partnered with the Ministry of Defence (MOD) to ensure the sustained delivery of mission critical logistics information including spares, supplies and munitions, transport and movement, engineering and maintenance, and general finance and accounting for the UK armed forces. More than 300 Boeing Defence UK colleagues are employed in support of the services, mostly based in Bristol and Milton Keynes.

24/7
365 day
support

Single point of contact for MOD Information Services issues, 24 hours per day, 365 days a year through a virtual service desk.
